How do I use the Cloud Library?

You will need your Sausalito library card and PIN and you must be a Marin County resident.

You will need to download the 3M Cloud Library app to your device. See below for supported devices.

The Cloud Library will detect if you have already registered your PC or device with an Adobe ID and will use that information to manage the digital rights for ebook files. If you do not have an Adobe ID, the Cloud Library can provide one for you. However, for the best experience with ebooks and transferring from a PC to a device, you should create an Adobe ID. To set an Adobe ID, Google "Adobe ID" and click on the first link.
