

RESOLUTION NO. 5117

**A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF SAUSALITO
ADOPTING THE STANDARD SPECIFICATIONS OF THE SAUSALITO-MARIN CITY
SANITARY DISTRICT**

WHEREAS, the design and construction of all public sewerage facilities and private sewers in the City of Sausalito, whether privately financed and constructed under permits issued by the City, or whether publicly financed and constructed under contract with the City warrants uniform standards; and

WHEREAS, the jurisdiction of the City of Sausalito includes the entire sewerage system and its appurtenances within the City Limits from the point of connection with the building plumbing to the discharge to the facilities of the Sausalito-Marin City Sanitary District (the "District") treatment plant; and

WHEREAS, the private sewer between the main sewer and the building is privately owned and maintained, and neither the City nor the District has no ownership or maintenance responsibility therefor; and

WHEREAS, the Municipal Code of the City of Sausalito ("SMC") and enabling Ordinances comprise the City's rules and regulations with respect to the construction and use of sanitary sewerage facilities; and

WHEREAS, in general, the SMC and Ordinances provides for the authorities of the Director of Public Works, City Engineer, and Sanitary Sewer System Coordinator; provides for regulation of private sewer construction; provides for the use and construction of public sewers; fixes annexation, plan checking, and permit and inspection fees, and provides for the establishment of uniform connection charges; and

WHEREAS, knowledge of the SMC and Ordinance provisions and policies is essential to those proposing to design or construct sewerage facilities in the City; and

WHEREAS, it is in the interest of the City of Sausalito for the existence of consistent Standard Specifications between the City and the District; and

WHEREAS, the District has prepared a set of Standard Specifications dated 2007; and

WHEREAS, said Standard Specifications have been adopted by the Board of Directors of the District; and

WHEREAS, the City Engineer and Director of Public Works of the City of Sausalito recommend that said Standard Specifications be adopted by the City of Sausalito.

NOW, THEREFORE, BE IT RESOLVED that the City Council of the City of Sausalito:

1. Adopts the Standard Specifications of the Sausalito-Marin City Sanitary District dated 2007 and on file in the Office of the City Clerk of the City of Sausalito.
2. Directs that the City Engineer make additions, deletions and revisions to said Standard Specifications from time to time in order to maintain said updated and in conformance with any additions, revisions and deletions approved by the District.
3. Directs that the City Engineer make the Standard Specifications currently effective available to the public via the City's website, in hardcopy for the cost of duplication, and on file in the Office of the City Clerk of the City of Sausalito.
