

CITY OF SAUSALITO / PARKING DEPARTMENT

APPLICATION FOR COMMUTER PARKING SMARTCARD

The new "SmartCards" work in coordination with Sausalito's new downtown pay stations and replaces the user's old "Debit" card and hang-tag. The system is designed to allow commuters – as well as downtown merchants and employees – to park in Municipal Lot #3 for a flat rate of \$4.00 per session. Each paid parking session will expire at midnight (12:00am) of the same day that the SmartCard is used to pay for the session. Overflow or 'as needed' parking is available for the same rate in Municipal Lot #4 (between Lot #3 and Johnson St.) as well.

Each Commuter Parking SmartCard is a "stored value" card: A customer pre-pays for parking and this value is then transferred to the chip on the customer's SmartCard, where it is stored. *Payments can be made at Municipal Lot #1* (the lot near the Ferry landing) *or the Sausalito Police Department*. Customers must take responsibility for the value stored on their SmartCard. <u>In the event that a card is damaged, lost or stolen the value upon that card will not be refunded by the City of Sausalito</u>—replacement cards may require a service fee.

Every time the SmartCard is used, \$4.00 is deducted from the value on the chip. When the value runs low a customer can replenish the value on their SmartCard by purchasing more at one of the above mentioned locations.

All Parking Enforcement Officers (PEO's) are equipped with handheld devices that communicate with the pay stations through a wireless connection. The equipment communicates in real-time, and since the system keeps a detailed record of each parking session, it will alert a PEO when a SmartCard is used to pay for a parking session.

Please fill out and return this application to either of the two locations mentioned above.	:

I certify that I will be responsible for all activity resulting from the usage of this SmartCard and that I am responsible for any and all value on card. <u>I understand that if my SmartCard is damaged</u> , lost or stolen—any and all value on the card is permanently lost and cannot be	
transferred to a replacement card. Replacement of a damaged, lost or stolen card may require a service fee. The Card remains the property of the City. Misuse may result in permanent forfeiture of all parking privileges.	DATE:
I understand that use of the Commuter Parking SmartCard will grant one parking session for a flat fee of \$4.00 per session ONLY in Lot #3 (or Lot #4, if Lot #3 is full). Rates subject to change. A paid parking session expires at midnight on the calendar day that the payment is made. No In & Out Privileges.	//
