Office Title: <u>City Council Member</u> Jurisdiction: <u>Sausalito</u>

Candidate Name: Ann Matranga

Occupation: <u>Developmental Editor</u>

Age: <u>68</u>

Education and qualifications:

I have twenty years of experience in strategic planning in health care and donor fund development for nonprofit organizations. For twelve years I have worked as a developmental editor for authors of nonfiction and memoir. (www.annmatranga.com). I have a Master of Management, Human Services degree from the Heller School at Brandeis University with emphasis on financial management and public policy. In Sausalito, I have been a member of the Disaster Preparedness Committee, an Underground Committee Liaison, and a member of the Mayor's Blue Ribbon Garbage Committee for the Arts Festival. I have both skill and passion to help meet Sausalito's goals, including "fiscal stability, sustainability, and balance of Sausalito's unique character with change." There may be a lesson to learn from a comparable community, Malibu, where miles of dazzling coastal beauty is blocked by irreversible, poorly planned development. In seeking membership on Sausalito's City Council, I hope to join others in support of responsible development initiatives that sustain the city's finances without compromising the beauty of our waterfront community. I dedicate my campaign to the elders who protected the waterfront in years past, and to my grandchildren.
