STATEMENT OF CANDIDATE FOR SAUSALITO CITY COUNCIL

City of Sausalito

VICKI NICHOLS

AGE: 61

Occupation: Personal Assistant Education and Qualifications:

Sausalito's rich history, waterfront character and diversity are the reasons I have lived here for over thirty years. I'm running to maintain the diligence and intelligent planning required to preserve our current fiscal solvency and quality of life – in a city council that is more civil and respectful. I'll use my extensive public service experience working with all sectors of our community to meet these challenges.

While serving on the Sausalito Historical Landmarks Board, where we recently won state funding for future preservation efforts, I've been working to preserve our special character for years. My previous corporate budget experience allows me to closely monitor our financial health and maintain our back-to-basics budgeting. Future planning will dictate how we manage our unique waterfront. I will work to see that our maritime heritage and small-town values are preserved, and that our young families choose to stay in Sausalito.

I believe that as a councilperson my role will be to make decisions based on factual information for the benefit of our whole community. I pledge to review issues thoroughly, hear community concerns and take action accordingly. I am ready to hit the ground running and I ask for your vote to do so.
