For: MEMBER OF THE CITY COUNCIL

RENE' "BUDDY" DeBRUYN

AGE: 68

Occupation: REALTOR

I have been a Sausalito resident for 35 years and served on the City Council from 1975 to 1980, including 2 years as your mayor. I am running again now because I feel that Sausalito is at a critical junction There is a threat that the majority of residents will not be heard. The elected members of the City Council must represent all of the citizens of Sausalito, not just a vocal minority. I promise to listen to all input before making decisions, rather than imposing my own personal views or those of a minority agenda. I will be responsive to the constituency, and urge the Council to make timely decisions in the best interest of Sausalito. My record of positive values and optimistic views will enhance the quality of life for all our residents. My history of leadership and volunteering in community organizations has given me the opportunity to meet many of you, and to respect your opinions. This forms the basis of responsible government.

A vote for Buddy DeBruyn is for a better City Council who is responsible to all of the citizens of Sausalito.
