

The Sausalito Library Foundation ensures the sustained excellence of the Sausalito Public Library by securing a permanent revenue source to enhance the library's programs, materials and environment.

THE LIBRARY SERVES AS A COMMUNITY HUB FOR SAUSALITO. It hosts readers, computer users, job seekers, and researchers, and it provides new resources for children and their young parents and for seniors learning computer basics. Simply put, the library is bursting at its seams. In response to the rising demands for our library's services, the Sausalito Library Trustees are working to improve the library's physical space and to expand its web-based services. The Foundation wants to help.

THERE REALLY IS NO PLACE TO EXPAND WITHIN CITY HALL and there are limited funds to finance alternatives. Fortunately, the physical space can be rearranged, and the virtual space made more accessible. The challenge: Create more usable space within the library's relatively small footprint, preserve our small-town library ambience, and improve access through the library to ever-expanding online options.

THE LIBRARY'S STRATEGIC PLAN PROVIDES DIRECTION FOR THESE CHANGES.

The trustees and staff are visiting other libraries to learn what has worked and what hasn't. They're looking at ways to reconfigure our library — physically and virtually — to further enhance its value to our community. The Foundation plans to help fund the hiring of designers to make recommendations for change and computer technicians to cope with ever-evolving software and hardware.

WITH YOUR FINANCIAL SUPPORT, the library will continue to be not only the "keeper of knowledge," but also the means of "sharing the knowledge," providing access for our citizens to the universal treasures of information and culture.

YOU CAN HELP THE LIBRARY ACHIEVE THESE GOALS with a donation to the Sausalito Library Foundation. When you give you'll also become a Friend of the Library. And we always need friends like you.

THE SLF LEGACY SOCIETY

Members of the Legacy Society have named the Library Foundation as a beneficiary of their estates or trusts. The late K.T. Kalbfleisch was named honorary founder of the Legacy Society, as her generous bequest in 2004 formed the cornerstone of the Sausalito Library Foundation. Others in town have followed her example. To learn more about the Legacy Society, please contact Lee Follett at 415.284.9314 or alfollett@aol.com.
