Mayor of Sausalito: 2009, 2010

Sausalito City Council Member: 2006 - Present

Sausalito Planning Commissioner: 6 years, Chair 2 years

As Mayor of Sausalito, I have practiced a "Back to Basics" philosophy focusing our government on essential services, sound fiscal management and transparency. Four years ago, I ran on a clear platform and have delivered concrete, positive results:

Protected Sausalito's Heritage and Character:

Improved Historic Preservation Guidelines. Limited Waterfront Development.
Adopted Construction Time Limits and Stronger Enforcement Penalties.

Improved City Finances:

Improved City Services while funding necessary Capital Projects and Increased
Crucial Financial Reserves during an economic downturn.

Transparent Government:

Public accountability of Council votes, Term Limits and Residency Requirements
on Commissions.

Family Retention Initiatives:

More Children's Park and Recreation programs, Increased Funding for the
Library and Rehabilitation of Robin Sweeney and Harrison Parks.

Environmental Responsibility:

LEED (Green) Certified Public Safety Buildings, City Hall Solar Panels, Marshland
Protection.

While being fair and independent, I have achieved these successes by finding
common ground with other Council members. Faced with economic pressures,
ongoing sewer costs and critical land use decisions in the Marinship, Sausalito needs
continued independent leadership.

I ask for your vote.
