ESTABLISHING COMPENSATION AND EMPLOYEE BENEFITS FOR
MEMBERS OF THE UNREPRESENTED EMPLOYEE GROUPS
(MANAGEMENT AND CONFIDENTIAL EMPLOYEES)
FOR JULY 1, 2011 THROUGH JUNE 30, 2012**

WHEREAS, on April 8, 2003, the City Council of the City of Sausalito adopted Resolution No. 4639 establishing compensation and employee benefits for members of the Unrepresented Employee Group (Management and Confidential) for Fiscal Year 2002-2003 and amended that resolution on July 15, 2003 to include Fiscal Year 2003-2004; further amended that resolution by adoption of Resolution No. 4746 on December 14, 2004 to establish compensation and employee benefits for these employees for Fiscal Year 2004-2005; further amended that resolution by adoption of Resolution No. 4813 on January 10, 2006 to establish compensation and employee benefits for these employees for Fiscal Years 2005-2006 and 2006-2007; and further amended that resolution by adoption of Resolution No. 4862 on October 17, 2006 to authorize salary adjustments for the City Management class for 2006-2007; and further amended that resolution by adoption of Resolution No. 4915 on September 4, 2007; and further amended that resolution by adoption of Resolution No. 4967 on July 15, 2008; and

WHEREAS, the City Council of the City of Sausalito adopted Resolution No. 4639 and its amendments in order to establish a comprehensive document that defines the compensation and employee benefits for members of the Unrepresented Employee Group, which includes employees in the Management and Confidential groups; and

WHEREAS, Resolution No. 4639 specified that the establishment of compensation and benefits in future years will be done through amendment of that resolution;

THEREFORE, BE IT RESOLVED that the City Council of the City of Sausalito adopts this resolution to amend Resolution No. 4639 in order to establish the compensation and employee benefits for all personnel in the Unrepresented Employee Group for Fiscal Year 2011-2012 as follows:

Section 1. UNREPRESENTED EMPLOYEE GROUP MEMBERSHIP

The Unrepresented Employee Group is recognized as the employee group comprised of members of both the Management and Confidential employee units. Newly hired employees in either of these employee units shall be notified of membership in the Unrepresented Employee Group at the time of hire.

The job positions included in the Management and Confidential units and the salaries established for each position therein shall be included in the Salary Schedule that is approved as part of the City of Sausalito budget for each fiscal year.

1.1 At-Will and For-Cause Employees

With the adoption of Ordinance No. 1156 on July 24, 2001, the City Council of the City of Sausalito removed Department Heads from coverage in the City's Civil Service System, thereby classifying such positions as "At-Will". The At-Will positions listed in Ordinance No. 1156 are:

- Assistant City Manager
- City Engineer
- City Librarian (*see note below*)
- Chief of Police
- Community Development Director
- Finance Director/Treasurer (*see note below*)
- Fire Chief (*see note below*)
- Planning Director (*position since eliminated*)
- Public Works Director
- Recreation Director
- Parking & Transportation Manager (*position since eliminated*)

At the time of adoption of Ordinance No. 1156, certain other positions in the Management unit were not classified as "At-Will", so the following positions remain classified as "For-Cause" employees:

- Administrative Services Manager (*position since eliminated*)
- Assistant to the City Manager (*see note below*)
- Deputy City Clerk (*see note below*)
- Police Captain
- Technology Manager
- City Librarian

Since adoption of Ordinance No. 1156, there have been several changes with regard to titles in the Unrepresented employee group:

- 1) The Deputy City Clerk position has been reclassified as City Clerk and combined with the Assistant to the City Manager as a singular job position and remains For-Cause.
- 2) The Parking and Transportation Manager position has been eliminated.
- 3) The Fire Chief position is now filled by the Chief of the Southern Marin Fire District as part of a functional consolidation agreement; compensation and benefits for the Fire Chief are not included in this City of Sausalito resolution.

- 4) The Assistant to the City Manager was reassigned from the Confidential unit to the Management employee unit and combined with the City Clerk position.
- 5) The Finance Director/Treasurer position has been reclassified as Administrative Services Director/Treasurer and as At-Will employee.
- 6) A Senior Accounting Technician position has been created and assigned to the Confidential unit as For-Cause employee
- 7) A Department of Public Works Division Manager position was created and assigned to the Management unit.
- 8) A Police Lieutenant position was created and assigned to the Management unit.
- 9) A Deputy Planning Director position was created and assigned to the Management unit (and has since been frozen).

Ordinance No. 1156 further provides that the City Manager, consistent with his/her authority under Sections 2.08.090, -100 and -110 of the Sausalito Municipal Code, may offer and enter into contracts with each new person appointed to the positions classified as At-Will in order to implement the provisions of that ordinance.

Non-probationary and fully vested personnel holding the positions identified in Ordinance No. 1156 as At-Will at the time the ordinance was adopted are not subject to its provisions, and therefore remain part of the City's Civil Service System, unless such personnel voluntarily waive their rights by the execution of a contract with the City Manager.

Members of the Confidential unit shall continue to be classified as "For-Cause" employees. Specific positions in the Confidential employee group vary according to staffing needs, and the current positions will be listed in the Salary Schedule that is adopted with each fiscal year budget. At the time of adoption of this resolution, the Confidential positions include:

Administrative Aide I / Administration
Administrative Aide II / Police Department
Human Resources Technician
Senior Accounting Technician
Systems Technician

1.2 Regular Employee - Definition

A regular employee, either probationary or permanent, is defined as an employee in an authorized position who is required to be brought into membership in the State Public Employees Retirement System (PERS). Probationary or regular full-time employees shall be compensated at the monthly rates described in the annual Salary Schedule, and such employees are entitled to all employee benefits in accordance with the provisions of this resolution.

"Authorized position" means a position listed in the annual Salary Schedule that has received funding in the City's annual budget. The creation of new positions shall require review and approval by the City Council before appointment to such positions can be made.

Section 2. NO DISCRIMINATION

There shall be no discrimination by the City of Sausalito or anyone employed by the City because of race, creed, color, national origin, sex, sexual preference, or political affiliation against any employee or applicant for employment; and to the extent prohibited by applicable State and federal law, there shall be no discrimination because of age, handicap or medical condition.

Section 3. PROBATIONARY PERIOD

Original and promotional appointments to regular authorized positions that are classified as For-Cause employees shall be tentative and subject to a probationary period.

3.1 Length of Probationary Period

The probationary period for “For-Cause” employees shall be twelve (12) months for original appointments. The probationary period for promotional appointments shall be six (6) months. An employee who successfully completes a probationary period shall achieve permanent status in his/her class and shall be known as a permanent employee.

3.2 Objectives of Probationary Period

The probationary period shall be regarded as a part of the selection process and shall be used to closely observe and evaluate the employee’s work, to secure the most effective adjustment of a new employee to his or her position, and to eliminate any probationary employee whose performance does not meet the required standards of work.

3.3 Dismissal of a Probationary Employee

During the probationary period, an employee may be rejected from employment at any time by the City Manager without cause and without the right of appeal.

A probationary employee in a position to which he/she has been promoted may be reinstated at any time to the position from which the promotion elevated him/her or to a comparable position.

Section 4. DISCIPLINARY ACTION

4.1 Disciplinary Action of For-Cause Employees

The City Manager may take disciplinary action of suspension, dismissal, or demotion against a For-Cause employee for good cause in accordance with the reasons established in the Personnel Rules. Those affected employees may appeal that decision in accordance with the procedures established by Resolution No. 4386, Resolution of the City Council of the City of Sausalito Amending the Personnel Rules Implementing Civil Service Ordinance No. 643 and by

Ordinance No. 1121, An Ordinance of the City Council of the City of Sausalito Amending Section VI, "Right of Appeal" of Ordinance No. 643 Establishing a Civil Service System.

The normal workday may be adjusted on an individual employee basis to allow consideration of commute, child care or other personal matters, with the prior approval of the department head or City Manager. Flexible work hours will be accommodated if the needs of the affected departments can be met with the inclusion of the flexible schedule. The following work schedules will be considered:

- 1) "5-40" schedule: five 8-hour work days within each 40-hour work week

At any time that a flexible work schedule is approved by the department head or the City Manager, it will be given an agreed-upon trial period in which the effect of the schedule on the respective department will be evaluated. 10.3 Use of Vacation Leave

All vacations must be approved in advance by the Department Head or City Manager. Vacations must be taken at times that are mutually agreed upon by employees and supervisors.

In the event that an employee is not able to take all of the vacation to which he/she is entitled in a calendar year, the employee shall be permitted to accumulate the unused portion to his/her credit, provided that on December 31st of any calendar year, he/she shall not have a total credit of more than 240 hours of vacation time accrued. - 2) An employee's dental, eye or other physical or medical examination or treatment by a licensed practitioner.
- 3) Providing necessary care for an ill or injured member of the immediate family. Absences of more than three (3) working days for this reason may, at the requirement of the Department Head or City Manager, require a doctor's statement, indicating that the employee was required at home.

11.3 Workers' Compensation Benefits

If a probationary or permanent employee is injured on the job, he/she may be eligible for Workers' Compensation benefits. If the employee is unable to return to work after three (3) days, the City is reimbursed a percentage of the employee's salary. Should the employee be required to take sick leave due to this work-related injury, the dollar amount of the reimbursement will be divided by the employee's hourly wage rate to determine the number of hours, computed to the nearest one-quarter hour, of sick leave to be reimbursed to the employee's sick leave account.

Workers' compensation for sworn police personnel shall be as governed by the California Labor Code.

Section 12. MISCELLANEOUS LEAVES

12.1 Leave of Absence with Full Pay

In the event an employee receives extra compensation in the form of an appearance allowance or a salary or wage allowance for such duty, any such allowance shall be endorsed over to the City. Reimbursements to the employee from outside sources for travel and meal expenses incurred while on such duty shall be kept by the employee.

12.2 Leave of Absence without Pay

Upon written request of a regular employee, the City Manager may approve in writing a leave of absence without pay for a period not to exceed six (6) months.

12.3 Family Leave

Eligible employees are entitled to take up to twelve (12) weeks of unpaid Family Medical Leave during any 12-month period in accordance with the provisions of the Family and Medical Leave Act of 1993 (federal) and the California Family Rights Act of 1991.

Leave of absence with pay because of death in an employee's immediate family is allowed solely for the purpose of arranging and/or attending funeral and memorial services and for attending to legal issues relating to the death. Such leave shall not be charged against vacation or sick leave to which an employee may be entitled, but shall be in addition thereto.

Such transfer of time shall be limited to situations where the recipient of the transfer is, by reason of illness or injury, threatened with the loss of earnings due to his/her exhaustion of employment benefits. Such time transfer request must be in writing, and subject to the approval of the City Manager or designee. Such approval shall not be unreasonably denied. Such transfer shall be credited to the recipient at the donor's rate of pay. The use or receipt of time so transferred shall not preclude possible medical separation of the recipient employee. The City reserves the right to require medical verification by a qualified medical practitioner of the recipient employee's medical condition. While on catastrophic leave, the employee shall continue to accrue benefits.

12.6 Military Leave

Employees will be granted a leave of absence without pay with appropriate seniority, pay, status and vacation as required by law for the purpose of fulfilling any required military obligation.

Section 13. NON-PAID STATUS

When a permanent employee is on non-workers' compensation disability leave (non-paid status from the City of Sausalito having used up all vacation, sick leave, compensatory time and catastrophic leave) no benefits will accrue, including vacation time, sick leave time and PERS service credit. However, an employee on non-workers' compensation disability leave may exchange his/her disability check dollar for dollar for a sick leave check to insure continuation of benefits.

The dollar amount of the endorsed disability check shall be divided by the employee's hourly equivalent wage rate to determine the number of hours of sick leave to be reimbursed to the employee computed to the nearest one-quarter (1/4) of an hour or portion thereof.
